A GURU YOGA

Exert yourself in the recitations of this supplication like a flowing river. For the devoted, blessings are swift as lightning; there is no doubt that the actual face of dharmatā will be seen. At the end of the session, receive the four empowerments in the following manner.

lamé ku le ngaden özer tro: rang gi ne ngar timpe drib zhi dak
Light rays of the five colors radiate from [476] the body of the lama.
By dissolving into my five places, the four obscurations are purified—

At the insistent behest of Özema, daughter of the chief local god of Zhagdra,
And the supplication of the faithful attendant Ösal Nyingpo,
At the center of the great sacred place of Gyalmo Mudo,
Tragtung Lekyi Dorje composed
“Cloudbanks of Blessings: A Guru Yoga that Relies
Upon Losal Drölma,” master
Of the secret treasury of the Dharma and perfector of creation and completion
An undeluded primordial wisdom ḍākinī who is the emanation of
The Guru’s divine consort, Mandara.
